

GPIO Configuration
Structure and Enumerations

GPIO Speed Options

```
graph LR; A[GPIO Speed Options] --> B[GPIO Configuration Structure and Enumerations]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "GPIO Configuration Structure and Enumerations". The box on the right is gray with a black border and contains the text "GPIO Speed Options". A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the speed options to the configuration structure.
