

Macros to reset various
peripherals

```
graph LR; A[Macros to reset various peripherals] --> B[AHB3 Peripheral Reset Macros]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Macros to reset various peripherals'. The box on the right is gray with a black border and contains the text 'AHB3 Peripheral Reset Macros'. A black arrow points from the right side of the white box to the left side of the gray box, indicating a dependency or relationship between the two macro sets.
