

Macros to Enable/Disable
clocks for various peripherals

APB2_PCLK_EN_DI_MACROS

```
graph LR; A[APB2_PCLK_EN_DI_MACROS] --> B[Macros to Enable/Disable clocks for various peripherals]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the right is shaded gray and contains the text 'APB2_PCLK_EN_DI_MACROS'. The box on the left is white with a black border and contains the text 'Macros to Enable/Disable clocks for various peripherals'. A black arrow points from the right box to the left box.
