

GPIO Configuration  
Structure and Enumerations

GPIO Output Types

```
graph LR; A[GPIO Output Types] --> B[GPIO Configuration Structure and Enumerations]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'GPIO Configuration Structure and Enumerations'. The box on the right is gray with a black border and contains the text 'GPIO Output Types'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the output types to the configuration structure.
