

I2C Configuration Macros

```
graph LR; A["I2C Fast Mode Duty Cycle Configuration Macros"] --> B["I2C Configuration Macros"]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "I2C Configuration Macros". The box on the right is gray with a black border and contains the text "I2C Fast Mode Duty Cycle Configuration Macros" arranged in three lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two macro sets.
